JAMES J. MURPHY AWARD
History

The Pewaukee Chamber of Commerce went out of existence for several years, however James J. Murphy changed that by restarting this organization and acting as the Chamber President for a couple of years. He was also active in Kiwanis and responsible for starting the "River Run", an active sailor. He was then selected to be the first "Person of the Year" for his contributions to the community. Due to his dedication of time and spirit to the Pewaukee community this award was named after him.

The Community is encouraged to nominate any individual, employee or business that they feel has truly made a difference for Pewaukee.
