The Power of Truth" was life changing! - Deb Schaefer

Advanced Design Concepts (ADC) is a fully integrated team of engineers, designers and machinists who collaborate to offer clients with innovative solutions to engineering design challenges. They create products based on sound engineering principles producing products that are intuitive to use, attractive and inexpensive to manufacture.

We asked one of the seminar attendees, Deb Schaefer, HR Manager with Advanced Design Concepts, what

she thought of Gary King's Power of Truth Seminar held on May 17 at WCTC.

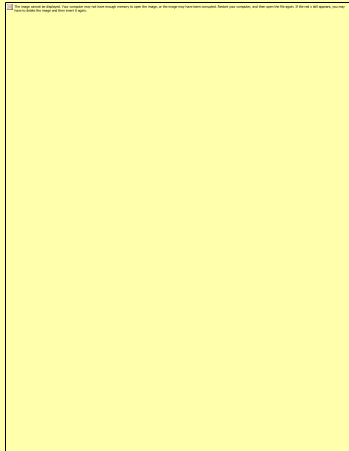

"Gary King's presentation left an outstanding imprint on me to aspire to live every day with integrity and make every decision based on honesty. I started a reading frenzy based on the books Gary mentioned. I immediately became a fan of Gary King and the Happiness Formula on Facebook. I believe we will all be hearing more about Gary King in the next year."

"His words will impact every aspect of my life as I make a conscious choice to learn more and follow the principles he discussed". Gary King had a near death experience 25 years ago and this subsequently created a shift in his thinking.

Thank you Chamber Members (Advanced Design Concepts, Cruise One, Country Springs Hotel, Guardian Insurance, Neighborhood Welcome, Prairie Hill Waldorf School, Waterstone Mortgage and Pewaukee Family Chiropractic) who attended. Proceeds from this Seminar were donated by WCTC Small Business Center to support the Pewaukee Chamber of Commerce.

Becky's Blissful Bakery moved into the former Village Pump Station and former Chamber of Commerce at 214 Oakton Avenue.

PEWAUKEE, WI - [Becky's Blissful Bakery](#) has moved to a new location at 214 Oakton Avenue in downtown

Pewaukee. "We are so excited for the opportunity to relocate to this historic property," noted owner Rebecca Scarberry. "We have a beautiful building to walk into every morning and we are proud to be here. The space is perfect for our business and we are looking forward to a Grand Opening Celebration in late summer!"

Becky's Blissful Bakery was founded in 2007 and offers handmade, gourmet desserts made from all natural, all organic ingredients. Their focus is on organic ingredients and incorporating other local companies' products into their product line. The caramels come in several varieties including Original

Original Sea Salt, Dark Chocolate Sea Salt, Espresso Dark Chocolate, Salted Beer & Pretzel, Chai Tea and our new product is the Cashew Caramels.
